MARKET Diary

11-May-15

SGX NIFTY : 8270 (57 Pt Up)

Quote of the Day

"I constantly see people rise in life who are not the smartest -- sometimes not even the most diligent. But they are learning machines; they go to bed every night a little wiser than when they got up. And, boy, does that habit help, particularly when you have a long run ahead of you."

Charlie Munger
