Quote of the Day

"It's not given to human beings to have such talent that they can just know everything about everything all the time. But it is given to human beings who work hard at it - who look and sift the world for a mispriced bet - that they can occasionally find one. And the wise ones bet heavily when the world offers them that opportunity. They bet big when they have the odds. And the rest of the time they don't. It's just that simple. "

- **Shree Cement** is upbeat on seeing an uptick in demand in the second half from November 15 onwards. The festival season is over, stability will come back into the market and demand will pick up. Mgt expects sales volumes in the second half of FY17 to be around 7-8 percent. The year-on-year EBITDA per tonne for the quarter, too, increased from Rs 800 to Rs 1300, said Bangur. The company has grown significantly on gross margins. Maintaining his positive stance, Mgt said that FY17 guidance is slightly at risk but this Diwali has given a lot of hope and things are possibly turning around.
