Quote of the Day

"I constantly see people rise in life who are not the smartest -- sometimes not even the most diligent. But they are learning machines; they go to bed every night a little wiser than when they got up. And, boy, does that habit help, particularly when you have a long run ahead of you."

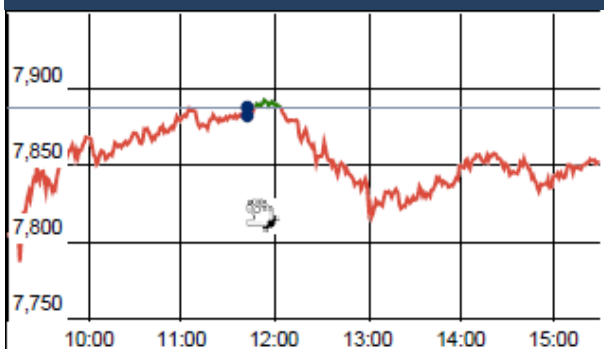

Charlie Munger

Top News

- **Kotak** said he estimates loan growth for FY17 to be around 20 percent. The bank has one of the lowest restructured loan books, he said, adding that the loan recovery process today is much tougher than before. Kotak said if a loan turns bad, one should be able to take it on the chin, and provide for it. The bank will look at the individual books of companies before making a decision to loan. It wouldn't follow the herd mentality

- **Vardhman** announced that it will sell its 40 percent stake in Vardhman Yarns and Threads to A&E Global . the company will get Rs 396 crore from the sale of its stake in the yarns and threads business and plans to focus more on its yarns and fabrics segment. The company plans to use sale proceeds to fund business expansion and looks to maintain its margins between 18-22 percent in this fiscal.

- **RepcO Home** said that credits this growth rate to demand coming from tier-II and tier-III cities, particularly in the underserved and non-salaried section. "Because of the revised fixation of rates for our borrowing, we will be able to pass it on to that extent to our customers so that we are able to maintain it at three . the company is aiming at provision coverage ratio (PCR) of 70 percent. Company is making additional provisions in our non-performing assets (NPA) so that our balance sheet is better projected."

- **Orient Paper and Industries** may see a double digit growth in the revenues from its electrical consumer durables business in the current fiscal . The company currently holds 18% share in the electrical business in the domestic market. The company also witnessed a bounce back in their paper business. This was due to reduction in costs and internal efficiencies and not due to decrease in price of raw materials

- **Prism Cement** has entered into a Supply Agreement with ECO Cements Limited to manufacture and supply cement to the Company as per the Company's quality and other specifications. ECL operates a cement grinding plant with a capacity of 0.6 million tonnes per annum at Bhabhua District of Bihar. The arrangement with ECL is expected to help the Company optimise its logistic costs as well as improve local availability in its strategic markets of Bihar.

- **Supreme Court** relaxes order on diesel taxis in Delhi; allows taxis with all India permit to operate till permits expire Diesel taxis with all-India tourist permits would now be able to operate in the national capital territory (NCT) till their permits expire.

- **EID Parry** has recommended to the shareholders, the issue of non convertible debentures (Secured/ Unsecured) in one or more tranches aggregating to Rs. 300 Crore on private placement basis.

- **Government tweaks Mauritius Tax** pact; similar changes expected in Singapore treaty to plug round tripping of black money from tax heavens – Sentimentally negative expect gap down opening (though the changes are applicable on prospective basis from April 2017 and would be gradually changed over the next two year till April 2019 will give enough time for investors to adjust to change in regulations) as substantially large portion of foreign portfolio inflows and foreign direct investment (FDI) into India is comes from Mauritius and Singapore to take advantage of the tax treaties.
