

SGX NIFTY : 7876 (46 Pt Down)

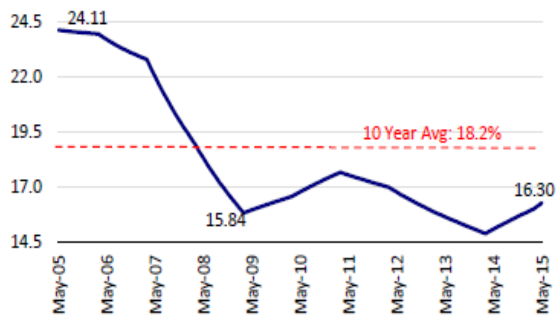

Quote of the Day

"An argument is made that there are just too many question marks about the near future; wouldn't it be better to wait until things clear up a bit?...face up to two unpleasant facts: The future is never clear [and] you pay a very high price for a cheery consensus. Uncertainty actually is the friend of the buyer of long term values."

- Greenply Mgt Guideline :** The government is likely to impose duty of up to USD 64.35 per cubic metre on imports of medium density fiberboard (MDF). This comes after Greenply Industries had filed an application for initiation of anti-dumping duty probe. the landed price differential between imported and domestic medium MDF stands at around 5-6 percent. Net MDF imports account for 30-35 percent, majority of which come from Vietnam and Indonesia . the company expects this anti-dumping duty to be implemented in the next 45 days. The company will increase capacity utilisation to 115 percent from 100 percent with product mix and better products,

- Mawana Sugars** has seen a strong earnings and returns to profitability in the fourth quarter of FY16 owing to rising sugar prices. The sugar prices will continue to be stable unless the government decides to import raw sugar. Another reason that may put a damper on the sugar prices could be the upcoming election in Uttar Pradesh . The company expects to make Rs 100 crore on EBITDA if it crushes 3,00,000 tonne of sugar cane,

- Rajasthan Spinning and Weaving Mills (RSWM) Mgt Guideline :** The company said, with most of the expansions coming on stream, they would see a significant margin expansion of around 100 basis points and a 15 percent topline growth in FY17. the company reported margins of 14-15 percent from around 12 percent reported in earlier fiscal. The company focuses on value added products that account for 15 percent of total revenues and exports 30 percent . Company is also confident of the company being debt free by FY19. The current debt is around Rs 880 crore and they play to repay around Rs 220 crore each for the next two years. Cash profits too will aid debt repayment
