Quote of the Day

"The best protection against inflation is your own earning power. If you are the best teacher, you will command earning power and get your share of the national economic pie, regardless of the value of the currency. The second best investment is in a good company."

Top News

- Volta Mgt Guideline** : Scorching heat pushed up AC sales in the last 3 months. The company has not cut or raised prices and is offering extended services along with financial easing to aid customers buy its products using Equated Monthly Installment (EMIs). All appliances have done very well in the last few months. FY17 has seen a good start in terms of AC sales, in particular. While the AC industry has been growing at the rate of 20-25 percent, Voltas has not been able to supply as per the demand.

- Dish TV Mgt Guideline** : Dish TV hopes to add around 1.5 million subscribers during FY17. The operating margin is expected to stay stable at around 35-36 percent in FY17. Expected increase in brand building, distribution and service-related costs will restrict any operating margin expansion.

- Chennai Petro** : Management expect throughput to be better in FY17. Chairman of Indian Oil Corporation said throughput during FY16 was lower YoY due to some scheduled plant shut-downs and floods in Chennai. He expects Chennai Petro's Ennore plant to become operational by mid-2018 and Indian Oil's LNG re-gasification plant at Dhamra to be operational by end of 2018.

- Orient Paper and Industries** may see a double digit growth in the revenues from its electrical consumer durables business in the current fiscal. The company currently holds 18% share in the electrical business in the domestic market. The company also witnessed a bounce back in their paper business. This was due to reduction in costs and internal efficiencies and not due to decrease in price of raw materials

- Eclerx** : Management See continued stress on revenues in first half of FY17. Eclerx's EBITDA margins in the fourth quarter of FY16 rose 480 basis points to 41 percent quarter-on-quarter owing to the depreciation of the Indian rupee. Some short-term projects of eClerx had come to an end in FY16. This led to revenues remaining almost flat across the last few quarters of FY16.

- Balaji Amines Mgt Guideline** : High capacity utilisation led to a 70 percent growth for Balaji Amines in FY16. Mgt expects 50 percent growth to be sustainable in FY17. The new plant will be adding Rs 60-70 crore to the topline and it expects 20-22 percent growth in volumes in FY17. The efficiency of the clients have given a positive thing, if everything goes well, this year Mgt said that they have done 69-70 percent growth. It will be sustainable about 50 percent should be the same path for the next year.

- Just Dial** : Just Dial's margin may be under pressure in the near-term due to investments and a one-time ad spend, which will start in June and will be spread over the coming quarters. The management expects FY17 revenue growth to be better than FY16. The steps taken by the company recently will boost growth in FY18. The company has added 1,000 sales employees in Q4 and will further add 2,000 more in the next 9-10 months.

- Balrampur Chini** : With 58 lakh bags of sugar, volumes not a worry for the company. The company is sitting on inventory of 58 lakh bags expected to be sold at Rs 27 per kg. Management said that it is possible to sell off the inventory at a higher price of around Rs 34 a bag. The company is aiming for higher ethanol sale and reducing debt in FY17. The company is also looking to reduce its Rs 550-560 crore debt in the current year.

- VRL** : Promoters of VRL Logistics are looking to venture into a domestic civil aviation business and may dilute around 20 lakh shares in the company to meet the capital requirement. Management expects a flat volume growth in FY17 but hopes a good monsoon might help.

- Welsporn Corp Mgt Guideline** : The company had in a note said that in the second half of FY16, turmoil in energy market affected its order book and margin profile. The company stands on a 9000,000 tonne order book as of today and management expect to maintain the performance. Management expect a flat revenue growth in FY17.

- Britannia** : The company has had tailwinds in its premium product segment growth in the quarter gone. The demand in the same has picked up. Britannia Industries is looking at a 5 percent inflation in input costs this year.

- Praj Inds** : Even though Praj Industries' total income in the fourth quarter of FY16 surged 7.7% at Rs 329.8 crore, the company's net profit in the quarter slipped 7.4 percent to Rs 34 crore. The company will strive to bring EBITDA margins to mid-teens in FY17.
