

SGX NIFTY : 8559 (2 Pt Up)

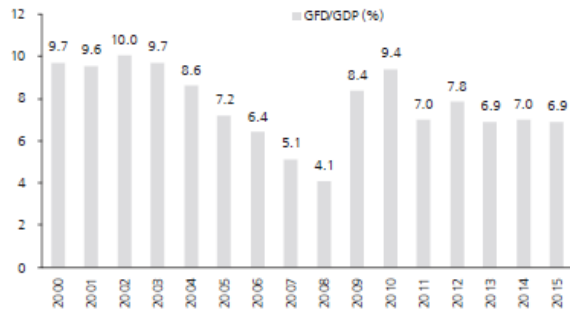

Quote of the Day

"Bargains are the holy grail of the true stockpicker. The fact that 10 to 30 percent of our net worth is lost in a market sell-off is of little consequence. We see the latest correction not as a disaster but as an opportunity to acquire more shares at low prices. This is how great fortunes are made over time."

Peter Lynch
