### Quote of the Day

"The book value deserves at least a fleeting glance by the public before it buys or sells shares in a business undertaking. In any particular case the message that the book value conveys may well prove to be inconsequential and unworthy of attention. But this testimony should be examined before it is rejected."

Benjamin Graham

### Top News

- CIPLA** : The ongoing restructuring at Cipla, India's fifth-largest drugmaker by sales, has pulled down the profit by 69 percent in the fourth quarter (Q4) of FY16. Mgt said that initiatives are underway to normalise operations and the Mgt is committed to making its EBITDA trajectory more sustainable in FY17. Mgt pins up hopes on the US business for improved EBITDA margins substantially. Despite margins pressure, Cipla has made heavy investments in its R&D, with a major chunk dedicated to the US developments. The company expects 10-15 launches in the US this year.
- Walchandnagar** : The company has an orderbook of Rs 1000 crore, from which it expects a revenue Of Rs 600 crore in FY17 and a profit before tax of Rs 60 crore. The legacy issues have hampered the company's performance and going forward Mgt expects FY17 to be significantly better. The company will focus on defence and aerospace going forward and sees these sectors along with missiles contributing 65 percent to its FY17 revenue. Walchandnagar expects a growth of 20-25 percent in its operating profits for FY17.
- Linc Pens** : Fourth quarter growth was aided by lower crude prices in January and February. For FY17, Mgt is expecting margins to keep growing in double-digits. Also Mgt expects revenue growth of 10 percent and more.
- MEP Infrastructure** : MEP Infrastructure reported a mixed set of earnings number for the fourth quarter of FY16 on Tuesday. MEP Infrastructure said that the company bagged five toll projects in the fourth quarter, revenues for which will reflect in this fiscal. MEP's current orderbook stands at Rs 3,200 crore, which is executable over the next 3 years and the long-term operate, maintenance and transfer (OMT) orderbook stands at around Rs 1300 crore.
- Wonderla Mgt Guideline** : The Mgt said that the Hyderabad business is doing very well and and the company will meet its target of 7 lakh footfalls in FY17. Mgt maintained that the Bangalore resort recorded an unchanged revenue growth of Rs 46 crore in the fourth quarter of FY17. Mgt expects an uptick in Bangalore's revenue and footfall in FY17.
- Bajaj Auto** : Bajaj Auto reported good set of numbers for its fourth quarter earlier today. Revenues beat street estimates while EBITDA and profit after tax were inline. Sales of all products have been successful and operating margins will sustain above 20 percent in FY17. Mgt said that the Commercial vehicles that is three-wheelers are doing great whether it is the petrol or more importantly the diesel and now entry into the cargo segments those things will be continuing to be very, very good and that's going on very nicely.
- Thyrocare** : Diagnostic company Thyrocare saw a spectacular initial public offering (IPO) and listed with over 30 percent premium. Mgt said that the biggest surprise in the IPO was retail interest where the company got nearly 8 lakh applications. Mgt believes that Thyrocare can sustain its margins at its current 40 percent and can even improve it by another 1-2 percent.
- Bajaj Finserv** : Mortgage loans, which are of a longer duration, has dragged the growth rate down. The company looks to grow at a more steady rate of 20-25 percent every year.
- HeidelbergCement India** : Lower pricing on the revenue front and improved operating efficiencies helped the company post good results in the Q4 of FY16. The company paid a debt of Rs 275 crore in Q4 and aims to repay Rs 215 crore more by September 2016, post which it will be left with Rs 600 crore. The month of May has seen good demands, and Cooper hopes June to be better in terms of volume growth. The EBITDA margins for Q4FY16 were 18.5 percent and with improved efficiencies the company should sustain them in the long run.
- Wheels India** : The company is facing a slowdown in its construction and mining segment and may remain this way for the coming months due to low commodity prices. The commercial vehicles market witnessed a growth of 28 percent in the last year. Mgt expects the market to remain strong in the current year as well, boosting company's growth in volumes.
- Subex** : The company has converted Rs 447 crore of its foreign currency convertible bond (FCCB) debt to equity from the total outstanding amount of Rs 492 crore. The conversion of bonds helped to clean up the balance sheet and free up cash. The company will see a huge impact on margins going forward due to FCCB conversion. Subex will continue to dominate Asia-Pacific, Middle East and Africa markets in FY17. It will also make investments in Europe and Latin American markets to expand its footprint.
- PI Industries** : The company's current custom synthesis and manufacturing (CSM) orderbook stands at USD 850 million and he expects to see a 20 percent growth in this segment. The company also expects a 18-20 percent revenue growth for this fiscal.
