### Quote of the Day

"An argument is made that there are just too many question marks about the near future; wouldn't it be better to wait until things clear up a bit?...face up to two unpleasant facts: The future is never clear [and] you pay a very high price for a cheery consensus. Uncertainty actually is the friend of the buyer of long term values."

Warren Buffett

### Top News

- State Bank of India** : State Bank of India announced its fourth quarter numbers today, where the asset quality worry continue to haunt India's largest bank as it posted 140 basis point rise in gross non-performing assets (NPAs).The bank is certain of recovery going forward as business confidence has been upbeat lately.Mgt said that there are many accounts that have slipped are working assets, so resolution is important and the asset quality pressure will depend on economic performance going forward.Infrastructure and affordable housing will continue to see credit demand and a credit growth of 13-14 percent can be expected in FY17.
- Sterlite Tech**: Mgt expects to maintain 28 percent year-on-year growth in the telecom business or even better going forward. The EBITDA margins for the business would be around 21-22 percent.The return on capital deployed too will improve in FY17. It has already moved from 9 to 18 percent in FY16. The company is also keen on reducing debt going forward and expects it to come down by Rs 100-200 crore in FY17. Demerger of Sterlite Technologies led to two independent companies; telecom company rechristened as 'Sterlite Tech' and power company as 'Sterlite Power Transmission'.
- TAKE Solutions** : Chennai floods had a negative impact on Take. The company lost USD 160,000 in revenues in the third quarter of FY16 due to this.Also, the fourth quarter of the same year had a spillover of USD 0.8 million in revenues from Q3.Mgt expects the company's core organic revenues to grow by 20-22 percent in FY17.The company will focus on the Japan market in FY18.
- RPG Life** : The company's long-term strategy is to focus on the formulation business and going forward they would like to see 90 percent of business coming from formulation and 10 percent from active pharmaceutical ingredient (API). RPG Life has sold its Gujarat-based biotechnology unit to Intas Pharmaceuticals for Rs 25 crore. The money from the sale is likely to be used for its fromulation business.Currently, about 60 percent of business comes from the domestic formulation and 40 percent constitues international sales.
- Sonata Software** : A robust pipeline as well recent acquisition of US IT solutions company IBIS will aid growth in FY17. Mgt expects growth to come from the US and Europe. International business is expected to do better than the domestic one. IBIS will contribute about USD 10 million to FY17 revenues.
- PVR** : PVR is targeting 4-5 percent growth in ticket price, along with a double digit growth in its food and beverage business and ad revenue in FY17.Mgt believes overall footfall growth in FY17 will be around 10-15 percent. In FY16, the multiplex chain added 52 screens and is planning addition of 65 more screens in the current fiscal, Mgt said, adding that PVR will cross 600 screens during the year.
- Ester Ind** : The company managed to break even in Q4 of FY16, owing to an improvement in the speciality polymers business.The film business in the second half of FY16 came down drastically, and will continue to remain distressed. Mgt hopes to 'be in the black' (positive) in the coming quarters and expects speciality polymers business to grow in FY17.
- HPCL** : The company has robust capex plans of around Rs 6300 crore for FY17. Both the Mumbai and Visakhapatnam refineries will go in for expansion.
- Transformers** : Cost rationalization aided margins growth in the fourth quarter of FY16.The company reported 51.8 percent rise in total income to Rs 248 crore and operational efficiency improved to Rs 28 crore. The EBITDA margins expanded to 11.1 percent.The company's current order book stands at Rs 900 crore. The company's focus continues to be on special industrial transformers. Mgt expects margins to sustain in double-digits, adding that the company has exposure to healthy SEBs only.
- Salzer Electronics** : The wire and cable accounted for 45 percent of revenues in the fourth quarter. But this business has a lower EBITDA margin, leading to a decline in overall margins. Mgt expects the EBITDA margins to rise to around 12.75 percent in the first quarter of FY17. Salzer reported an 18 percent rise in fourth quarter profit to Rs 4 crore from Rs 3.4 crore.
- Power Grid** : The company on Friday posted a 13.2 percent jump in standalone net profit at Rs 1,599.05 crore for the March quarter on higher revenues from power transmission business.The disappointment on profit after tax (PAT) is largely due to backlog of corporate social responsibility (CSR) activities from last year.The FY16 capital expenditure was Rs 22,500 crore and a similar capex is envisaged for FY17. Capitalisation target for FY17 is around Rs 31,000 crore.On the timeline set for commissioning the Kurukshetra project,Mgt said, first phase will certainly be commissioned by July-August this year.
- Shreyas Shipping** : The economic recovery still remains challenging, the company would aim to grow revenues at 10 percent in FY17.The volume growth for the first quarter of FY17 would also be similar to that of Q4 in FY16 at around 12 percent.Currently, the company would have three-dry dockings by end of FY17. With regards to freight rates,they still remain at depressed levels both domestically and internationally.
