Top News

- JSW Steel Guideline** : The consumers are more aware and they are looking for quality and branded products, particularly construction steel like TMT Bars and wire rods are growing at a much faster pace in the retail market. Talking about the refinanced loans, Rao says the company is planning to reduce refinancing by one percent every year. "So, Rs 2,700 crore (amount to be refinanced this quarter) is approximately eight percent of my total debt, which we will be able to reduce by one percent a year.
- Dabur Guideline** : Nepal earthquake and currency devaluation on account of economical and political disturbances in Middle East and North Africa (MENA) region- Turkey, Nigeria and Egypt - has impacted the overall margin growth to 7.9 percent. second quarter to be sluggish, and the second half of the year to better on the back of festive season and e-commerce.
- Shriram City Guideline** : The company's net income rose 14.6 percent to Rs 573.08 crore and net profit grew 15.6 percent to Rs 147.7 crore. The company is moving towards more market-oriented products than traditional bank products, Sriram said. The focus is on small enterprise segment, which performed well in the quarter gone by. Sriram expects the company to maintain the 13 percent income growth in coming quarters. She does not see any big challenges in asset quality across segments.
- ABB Guideline** : As far as the power systems business is concerned, the company has a stressed balance sheet and it will put cash over revenues. There is a growing and widening gap between the sentiment and actual action on ground and if you look at capacity utilization, it is at an all time low, the credit is all time low; so, it is a reflection of the market that our customers are not really willing to spend money on new projects.
- Thermax Guideline** : international orders--mainly from South East Asia and Africa--had been better than domestic ones. Due to slow cash flows in Chinese market, the company's subsidiary did not see much order intake. expecting a fatter order book this year, compared to last year. He said euro and yen depreciation is posing difficulties for Indian companies.
- Yes Bank Mgt Guideline** : Yes Bank has lowered its credit cost guidance to 50-70 basis points (bps) from the earlier 60-80 bps for this fiscal. With gross non-performing assets (NPAs) rising 0.46 percent and net non-performing assets up 0.13 percent, he says "As Yes Bank, we have to be assured ourselves that we are financing the right asset which has a good value and has operating cash flow sort of safety net.
