Key Highlights

- ☑ BFS seeing continuous growth momentum: Larsen & Toubro Infotech has been able to demonstrate continuous growth despite high dependence on BFS and Insurance (combined revenue contribution of over 47%) which has seen continuous growth despite the headwinds in its larger peers in FY18.
- ☑ Digital solution continuous to be growth driver for the company:Digital solution which contributes 33% of the revenue continues to fuel the growth engine with an 42% YOY.LTI continuous to see strong pipeline and order book in FY19.
- ☑ The management is expecting to recover in short time in Insurance (18.3% of rev) and Manufacturing (17.3% of rev) verticals and expects to be industry leading revenue performance in FY19.
- ☑ Management remains confident about business across segments given the strong deal traction and robust demand for its Digital offerings.

4Q FY18 Result:

LTI reported stable Q4FY18 numbers with a revenue of Rs 2001crore , a growth of 6.2% QOQ. Revenue growth was largely seen across verticals and driven by core market and new service. Digital revenue accounted for 33% of total revenue and grew by 17% QOQ.EBITDA margin came at 17.7% (adj for one-time settlement exp of Rs 61.7 crore) an increase of 61bps QoQ led by higher offshore-mix.PAT stood at Rs 289 crore for 4QFY18.Onsite and offshore revenue grew 4.1% and 6.3% QoQ with onshore and offshore volume growth of 1.9% and 4% QoQ respectively.Onsite and offshore revenue grew 4.1% and 6.3% QoQ with onshore and offshore volume growth of 1.9% and 4% QoQ respectively

View and Valuation

Lti showed a stable performance in 4QFY18 with revenue 6% QoQ and margin at 17.7% an increase of 61bps QoQ led by higher offshore-mix. Thus ending the year with strong performance in all the verticals .We expect LTI to continue to show strong performance in FY19 on the back of continued momentum in deal pipeline , Increase in digital (33% of rev) penetration (digital growth at 42% YoY) and Momentum in top 11 to 20 accounts. Also the management expects revenue for FY19 to be at industry leading . But softness in Insurance (18.3% of rev) and Manufacturing (17.3% of rev) verticals will be concern in FY19 which the management is expecting to recover in short time .

We are Neutral on the stock with the target price of Rs 1658 at 17x FY20e EPS

Concall Highlights:

- ✓ Outlook:Based on the large deal momentum, new wins and current momentum, LTI is posed to deliver top quartile growth in FY19 as well.
- ✓ Digital solution continuous to be growth driver for the company:Digital solution which contributes 33% of the revenue continued to fuel the growth engine in FY18.LTI continuous to see strong pipeline and order book in FY19.
- ✓ Vertical-wise outlook: LTI is seeing good traction across all verticals. In BFS, spend on technology has been expanding with Digital taking a majority of the investments. Insurance growth was strong in FY17 but it slowed down to single-digits. The sector has been hurt by high catastrophe costs but management expects to return soon in FY18. The outlook for Energy has been improving because of higher oil prices and the increased spend on digital initiatives.

DISCLAIMER

Disclaimer: This document has been prepared by Microsec Capital Limited (hereinafter referred to as MCL) to provide information about the Company (ies)/sector(s), if any, covered in the report and may be distributed by it and/or its associates.

This report does not construe to be any investment, legal or taxation advice. This research report does not constitute an offer, invitation or inducement to invest in securities or other investments and MCL is not soliciting any action based upon it. This report should not be reproduced or redistributed to any other person in any form. This report does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Before acting on any advice or recommendation in this report, investors should consider whether it is suitable for their particular circumstances and, if necessary, seek professional advice. Neither MCL, its subsidiaries/Associates, nor its directors, employees, agents, representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information/research reports/opinions expressed herein.

While we would endeavour to update the information herein on reasonable basis, MCL and/or its associates are under no obligation to update the information. Also there may be regulatory, compliance, or other reasons that may prevent MCL and/or its associates from doing so. MCL/it's associates or employees shall not in any way be responsible and liable for any loss or damage that may arise to any person from any inadvertent error in the information contained in this report. MCL/it's associates or employees do not provide, at any time, any express or implied warranty of any kind, regarding any matter pertaining to this report, including without limitation the implied warranties of merchantability, fitness for a particular purpose, and non-infringement. The recipients of this report should rely on their own investigations.

MCL and its associates, their directors and employees and their relatives may; (a) from time to time, have a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MCL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

MCL and/or its affiliates and/or employees may have interests/positions, financial or otherwise of over 1 % at the end of the month immediately preceding the date of publication of the research in the securities mentioned in this report.

The research professionals responsible for the preparation of this document may interact with trading desk personnel, sales personnel and other parties for the purpose of gathering, applying and interpreting information. Subject Company may have been a client of MCL or its associates during twelve months preceding the date of distribution of the research report. MCL or its associates may have investment banking and other business relationships with some companies covered by our Research Department. Any or all of the foregoing among other things, may give rise to real or potential conflicts of interest.

MCL and it's associates may have managed or co-managed public offering of securities, may have received compensation for investment banking or merchant banking or brokerage services, may have received any compensation for products or services other than investment banking or merchant banking or brokerage services from the subject company in the past 12 months. MCL and it's associates have not received any compensation or other benefits from the subject company or third party in connection with the research report.

Microsec Capital Ltd. ("MCL") is SEBI registered Research Analyst under SEBI (Research Analyst) Regulation 2014 having registration Number INH300002407. Besides, MCL is SEBI registered stock broker, Depository Participant, Merchant Banker, Portfolio Management Services and AMFI registered Mutual Fund distributor.

The Company issues research reports to clients/prospective clients/others without any additional fees/charge.

No material disciplinary action impacting equity research analysis activities has been taken by any statutory/ Regulatory authority against MCL.
