Base Metal Related News

Base metal prices lower despite positive factory data in China, but lower than expected manufacturing data will keep the prices depressed.

Flooding in the Indonesian capital of Jakarta that has killed at least 43 people and displaced approximately 400,000 others is also likely to cause transportation delays for steelmakers in the country, industry sources.

Shanghai aluminium prices fell in early trade on Friday, having hit a more than two-week low under 14,000 yuan on signs that stocks in top consumer China were rising again after a protracted drop over 2019.

Chinese aluminium supply continues to rise, with Henan Shenhua Group putting its new smelter in Yunnan into production on Dec. 31.

The US dollar recovered from a six-month low on Thursday, the year's first trading day, as demand for the safe-haven dollar picked up after bleak data out of Germany and the UK weighed on the euro and pound.
